

IN THE NATURAL JEWEL TEXELGRUPPE

Bockerhütte 1.700m

It is always a good idea to stop for a bite to eat at the Bockerhütte. The homemade bread and butter and the hospitality of Edi and Ise alone make it worth a visit. The jams, the herb cheese, the yoghurt, the dumplings, the 'Schnaps': everything is home-made with love and conviction here. Add to that the mountains of the Texelgruppe and you will want for nothing.

We recommend hiking from the mountain station of the Hochmuth cable car. No. 22 trail will first lead you to the Mutkopf inn, where you continue up the mountain on No. 23 trail and finally along the Bockersteig (No. 22) to where it branches off to Bockerhütte. The view along this hike is an experience in itself.

If you would like to do a circular hike, take the No. 6 trail back to Tiroler Kreuz and from there walk along the road for approx. 10 min to the Hochmuth cable car valley station car park.
